### IN-HOUSE REGISTRATION

Thanks to everyone for returning your In-House Registration forms. Class lists for the Summer and Fall are almost complete and contracts for the summer session will be posted towards the end of March. If you need to make any changes regarding Summer or Fall enrollment, talk to a director right away. We want to make sure everyone has a space who wants one before opening enrollment up to our wait list families and walk-ins.

### THANK YOU!

We appreciate everyone who brought in milk jugs for the Igloo project. We are going to wait for the weather to warm up a bit more before attempting to re-construct. The cold weather keeps the jugs from sticking =)

### READ TO ME BOOK DRIVE

Please bring us your gently loved children's books! This book drive will run until March 29th. The donation box is located in the entryway.

## **WEATHER**

As you know, Spring time weather in Albuquerque can be a bit unpredictable. Please make sure your child has extra clothes and plenty of extra layers. Some days will be cooler than others. Don't forget to label everything! If your child needs to take medicine for a cold or for allergies please notify a teacher and fill out a medication form. All medicine must be given to staff and should NEVER be stored in a cubby.

## **PAINT THE "DIP" FUNDRAISER**

Have you heard? We're going to give the school a fresh new look! Here's what you can do to help: Buy a paint stick in the entryway for \$5.00. Take it home and have your child decorate it any way they would like. Bring it back and we will use it to make a big outdoor family chime! The money we collect will be used to buy paint for our walls, doors and trim. It's going to look fantastic!

## **BULB FUNDRAISER**

We are doing a Spring Fundraiser with Dutch Mill Bulbs this month. Look for your order form in your child's classroom on March 1st. We ask that each household collect at least 5 orders OR a minimum of \$50.00 on their form. Take it to work and share it with your neighbors and friends! The deadline for completing order forms is March 15th. Our goal is to raise \$2,000 for building improvements. The family who collects the most bulb orders will be rewarded with a prize! Bulbs should arrive at the end of the month.

## **New Website**

Our new website is up and running! You can read about our program, check tuition prices, view pictures of staff, children and activities, find information on delays and school closures and download important forms. Please be sure to check this site frequently as we will update it often!
