

Serendipity Day School

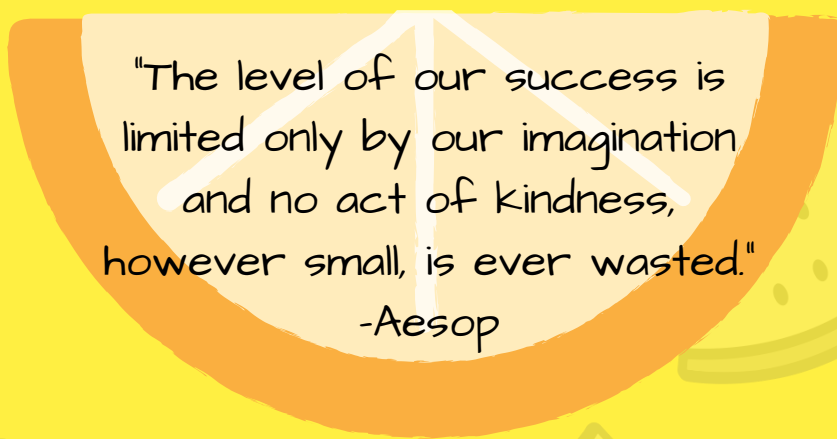

June 2019 Newsletter

Important Dates:

Tuesday June 4th-Water play days begin

July 4th & 5th-Serendipity CLOSED

"The level of our success is limited only by our imagination and no act of kindness, however small, is ever wasted."

-Aesop

AT THE

pool

WELCOME

Hello and welcome to all of our new families! We're glad you are here and look forward to a fun summer at Serendipity.

Classroom Pictures

Due to some issues with printing, there has been a delay with classroom picture orders. We apologize for any inconvenience and are working to resolve the matter. You will receive an email as soon as your order is ready.

SUNSCREEN

Please put sunscreen on your child before they get dressed in the morning. We will apply more as necessary for the afternoon with sunscreen you have provided, but the initial coating is a good idea and very helpful!

Casa Verde Gift Packages

We still have some of these spa packages available. Please stop by the office if you would like to purchase one. Thank you!

Water Play Days

This summer our water play days will be on Tuesdays and Fridays every week starting June 4th. We'll have sprinklers, wading pools, watery slides, puddles and wet sand on the playground. On water play days, please send your child to school in a swimming suit or other clothes that can get wet and with an extra coat of sunscreen. Bring a towel and a change of clothes and remember to LABEL EVERYTHING with your child's full name. Children do not have to participate in water play if they don't want to.

Extension to Front Fence

Your child's safety is our number one concern. We have extended our fence in the front yard from 4ft tall to 6ft tall. We appreciate your patience as we continue to improve our school!

Special Thanks

We want to say thank you to Damian Davies (Mr. Pink) for designing and creating the beautiful mural located on Room 5's west facing wall. Thank you to Megan Dell for referring Mike Cummings to us. It is wonderful to have him on board. Thank you Eddie Donato for painting our school doors and trim. It looks amazing!

Peanut Allergy

On June 11th we will have a new child starting in Room 3. He has a serious allergy to peanuts. As a precaution, we are making Room 3 a peanut free classroom. You can help us by having your child wash his/her hands upon arrival at school. We will keep you posted about any other changes we may need to make in order to ensure the safety of this child.

Reminder:

We do let the children go barefoot outside, especially during water play days. If you would prefer your child wear shoes, please provide appropriate water sandals and speak with your child's teacher.

Literacy and Dance Class

Kids Love to Dance will start on Thursday June 6th 2019. If you would like to sign your child up, please speak to a director.

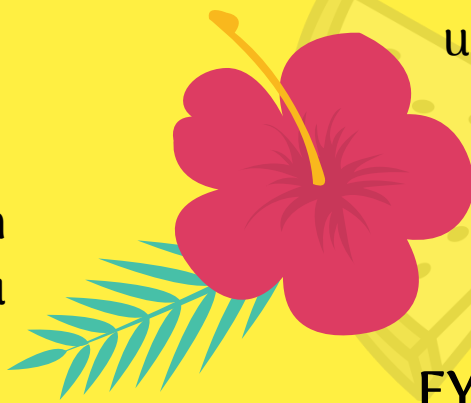

Also, Ann Banek will be returning to Serendipity June 17th and 18th to do both private and group lessons.

Please see the flyer on the entryway doors or speak with a director if you would like to enroll your child.

Substitutes & Volunteers

You will likely see some new faces on campus this Summer. We have three volunteers who will be helping out and some new substitute teachers who may be covering for a teacher at times. You may also run into our new maintenance man, Mike, who will sometimes be here to work on odds and ends. We want to welcome the newest member of our staff, Karen.

She is a teacher in Room 1 this Summer. She has many years of experience working with little ones and we are happy to have her with us!

FYI

There will be times when all three directors will be out during the month of June. We have our Annual Food Program Training coming up and have some family vacations planned as well. Ms. Taylor from room 3 will be covering for us during a couple of afternoons.

Thank you.
