

Serendipity Day School

September 2019 Newsletter

Important Dates

Labor Day September 2nd-
CLOSED

Special Thanks

We want to thank each and every person who participated in our Annual Parent Potluck. The turnout was fantastic and the food was delicious. It's so fun when we have an opportunity to get together as a community. We appreciate your support and dedication to Serendipity!

We also want to give a shout out to Joshua Fristoe, Izzy's dad, for donating new computers to the administration and for setting them up! We are so happy to have computers that are fast and reliable!

Front Yard Water System

Please excuse our mess as we are needing to replace and repair some pipes that feed our drip system in the front yard. There is a hole in the ground so please watch your step and stay on the brick path when going to rooms 1-4. We will let you know as soon as we have a date scheduled for replacement and repair. Thank you for your patience during this time.

Mud Kitchen Update

Thank you to everyone who donated supplies for our mud kitchen project! It has taken some time to figure out the details of construction but we have received word that progress is being made. More updates to come!

Home Visits

Please keep your eyes peeled for home visit sign-up sheets in your child's classroom. Home visits are a great way for teachers and children to form a bond outside of the school environment. Children usually love these visits and are excited to show off their room, toys and pets! Visits usually take place on a weekend or week night and typically last about 30 minutes. This is not a time to have a meeting with your child's teachers. If you would like to schedule a meeting, please do so at another time. We encourage everyone to sign up!

Parking Tickets

It has come to our attention that tickets are being issued at meter parking spaces during pick up and drop off times. Please be careful when picking a parking space. It might be wise to have some change on hand, even if you will only be a few minutes.

Parent Potluck Fun!

"A friend is someone we turn to,
when our spirits need a lift.
A friend is someone we treasure,
for our friendship is a gift.
A friend is someone who fills our lives,
with beauty, joy and grace.
And make the world we live in
a better and happier place."
